Kindergarten News - Mrs. Stephens

This week we will continue to learn that “d” is a dog with a tail. To print it, start like a “c,” continue up, up, up, then down, down, down, to make the dog’s tail! Later in the week we will begin to learn that “a” is an apple on a branch. Start like a “c,” go up to finish the apple, then straight down to create the branch!

Cooking: This Friday morning, please send an apple to school with your child. Any size or colour will be fine! **We welcome helpers during the first part of the morning** to help us core and cut the apple into quarters or eighths. The children will take the cutting from there! Plastic knives, of course!

Memory Work: 1 Thessalonians 5:18 is due this Friday, October 6.

“In everything give thanks, for this is the will of God (in Christ Jesus concerning you).”

We will learn this in song, following the King James Version.

Show and tell: A schedule was sent home last week. Please let me know if you still need one!

Happy Thanksgiving, everyone! Have a great holiday Monday, and **we’ll see the K kids on Tuesday!**

Grade One News - Miss Riediger

Bible Memory: Psalm 106:1 due Thursday October 5:

Praise the Lord. Give thanks to the Lord, for he is good; His love endures forever.

Library: Library books are due back on Wednesday.

Sight Words: This week we practiced reading the words: he, three, four, see, are

Spelling Words: This week words will have short vowel a in them and be part of the “ap” family. The test will be on Friday October 6: cap, nap, tap, lap, map

No School: There is no school Monday October 9 for Thanksgiving.

Home reading: We will begin home reading this week. A note came home today with more information. Word cards will come home Monday-Thursday with no cards on the weekend. In the next month or two, I will be sending books instead of the sight word cards. Please initial the home reading form every night after your child has read the cards or book. Then it can be returned every day with the agenda.

Sorry about the confusion over spelling words last week. From now on, your child's weekly spelling words should be written in their agenda at the beginning of each week.
